## PA Department of Health Updates

- 3/19/2021: <https://www.governor.pa.gov/newsroom/gov-wolf-teacher-and-school-staff-vaccinations-are-ahead-of-schedule/>
  - Per CDC data, PA is ranked 2nd in the nation (behind New Mexico) in number of vaccines administered per 100,000 of population over the past week (through March 17)
- 3/16/2021: <https://www.media.pa.gov/pages/health-details.aspx?newsid=1347>
  - Secretary of Health Alison Beam signed an order making March 31 the date by which all Phase 1A Pennsylvanians should have a vaccine appointment scheduled
  - The order also requires providers to make appointments with patients outside of their current patient network
- 3/15/2021: <https://www.media.pa.gov/pages/health-details.aspx?newsid=1344>
  - 3.6 million doses of vaccine have been administered across the state, which is more than 44 other states
  - 1.2 million people are fully vaccinated, with an average of 76,000 people becoming fully vaccinated every day
  - 4,699,560 doses will have been allocated March 20th
- 3/12/2021: <https://www.governor.pa.gov/newsroom/gov-wolf-and-covid-19-vaccine-task-force-announce-targeted-vaccination-strategies/>
  - Governor Wolf & COVID 19 Vaccine Task Force are planning to create regional vaccination clinics using a portion of the weekly Johnson & Johnson vaccine allocation once educators are vaccinated, as well as setting up clinics for frontline workers and first responders (law enforcement/correctional staff, grocery workers, firefighters, meat processing, and agriculture workers)
- 3/12/2021: <https://www.media.pa.gov/pages/health-details.aspx?newsid=1340>
  - Urging long-term care facilities to adopt updated visitation guidelines from the Centers for Medicare and Medicaid Services, which would allow visitation for almost all residents
- 2/26/2021 <https://www.media.pa.gov/pages/health-details.aspx?newsid=1317>
  - COVID Alert PA can be used to access COVID-19 Vaccine information

## Federal Government Updates

- 3/19/2021: <https://www.whitehouse.gov/briefing-room/press-briefings/2021/03/19/press-briefing-by-white-house-covid-19-response-team-and-public-health-officials-17/>
  - The US reached the goal of 100 million vaccines in 58 days, weeks ahead of schedule
  - President Biden moved up production timelines for the Pfizer, Moderna, and Johnson & Johnson vaccines, and as such, there will be enough vaccine for every adult in the US by the end of May
  - About 22 million doses went out to states, Tribes, and territories last week
  - Over the next several weeks, President Biden will increase the number of active duty servicemembers assisting in the vaccination efforts from 2000 to over 6000 in the coming weeks
  - The seven-day average of vaccinations in the country is 2.5 million vaccines per day
  - $\frac{2}{3}$  adults age 65 and over have gotten their first vaccine
  - The US is lending a portion (4 million doses) of our releasable AstraZeneca vaccines to Mexico and Canada
    - This vaccine has been approved in other countries but is currently going through the trial phases here in the US to determine if it will be approved in the US
- 3/11/2021: <https://www.whitehouse.gov/briefing-room/speeches-remarks/2021/03/11/remarks-by-president-biden-on-the-anniversary-of-the-covid-19-shutdown/>
  - President Biden directed all states, Tribes, and territories to make all adults (18+) eligible for the vaccine no later than May 1
    - Maintaining receipt of 2 million+ vaccines a day
    - Will create a tool, including a new website, to help Americans locate a vaccination site and schedule an appointment

## **CDC Guidelines for Fully Vaccinated People**

- (March 9, 2021) <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated.html>
- Fully vaccinated is defined as:
  - 2 weeks after receiving the second dose of Pfizer or Moderna vaccine
  - 2 weeks after receiving the Johnson & Johnson vaccine
  - You are NOT fully vaccinated if it's been less than 2 weeks since your second dose of Moderna/Pfizer or first dose of Johnson or Johnson OR if you have only received your first dose of Moderna/Pfizer
- You can gather indoors with fully vaccinated people without wearing a mask
- You can gather indoors with unvaccinated people from one other household without masks EXCEPT if any of those people are considered to be vulnerable
- If you are considered to be a close contact of someone with COVID-19, you do not need to quarantine or get tested unless you develop symptoms
  - If you live in a group setting or are around someone who has COVID-19 you should quarantine for 14 days and get tested, even if you don't have symptoms
- You should still:
  - Wear a mask, stay 6 feet away from others, and avoid crowds/poorly ventilated spaces
  - Delay domestic and international travel
  - Watch out for symptoms of COVID-19, especially if you've been around someone who has it
  - Follow your workplace or school's guidelines

## **CDC Guidelines for Schools and Child Care Facilities**

- (March 12, 2021) <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/index.html>
- As of March 19, 2021, the CDC is revising physical distancing recommendations to be at least 3 feet between students in classrooms and removed the recommendation for physical barriers

## **PA Teachers & COVID Vaccine Eligibility**

- PK-12 staff will be vaccinated through Intermediate Units
- Community-based Early Childhood Educators are eligible through PA Keys
- Frequently Asked Questions:  
<https://www.education.pa.gov/Schools/safeschools/emergencyplanning/COVID-19/Vaccine/Pages/FAQs.aspx>
- (3/19/2021):  
<https://www.governor.pa.gov/newsroom/gov-wolf-teacher-and-school-staff-vaccinations-are-ahead-of-schedule/>
  - 83,859 educators have been vaccinated in 10 days, which is 2 weeks ahead of schedule
  - PA secured an additional 13,000 doses of Johnson and Johnson for educators

## **Your Turn Portal**

- <https://covidportal.health.pa.gov/s/Your-Turn>
- Created by the state to assist Pennsylvanians in identifying if they're eligible for a vaccine
- Now available in German, Chinese, and Spanish (3/3/2021)
- NOTE: paid and unpaid caregivers of older adults and adults with disabilities are eligible!

### **Allegheny County Health Department Updates**

- 3/17/2021: the health department is expanding eligibility at county-run vaccine PODs for those 50-64 with pre-existing conditions AND those 65+
- (3/16/2021): the health department announced it is opening up 3 additional POD for vaccine distribution:
  - Partnership with University of Pittsburgh - temporary vaccine distribution at the Petersen Events Center
  - Partnership with Central Baptist Church (Hill District) and Duquesne University - targeted outreach POD will open March 22nd
  - Ross Township Community Center will open March 24th
  - Monroeville POD will offer second dose vaccinations before being phased out and staff will be moved to other PODs

### **How do I schedule my second dose at the ACHD PODs?**

- <https://www.alleghenycounty.us/Health-Department/Resources/COVID-19/COVID-19-Vaccine-Information.aspx>
- You will get an email from the Allegheny County Health Department to schedule an appointment for your second dose. If you do not receive this email, call 211 to schedule your appointment
- You are NOT able to get your second dose at these sites if you got your first dose somewhere else.
